

Sadie
Is Coming!

Northwest Missourian

VOLUME 36

MARYVILLE, MISSOURI, WEDNESDAY, NOVEMBER 2, 1949

NUMBER 4

Overstreet
Will Be Here!

Students Plan to Observe Sadie Hawkins Week on State Campus

Concentrated Leap Year Requires Alertness From College Bachelors

Women Must Arrange All Dates, Pay All Bills, According to Capp.

Will Have Fashion Parade

Prizes Will Be Awarded for Best Dog Patch Costumes at Dance Climaxing Comic Affair.

Bachelors, beware! Next week, November 7-12, has officially been declared Sadie Hawkins Week on the campus of Northwest State.

During this time all men at the college will be under moral obligation not to ask girls for dates. The girls will be expected to do the asking and, incidentally, to foot the financial losses.

It's Leap Year in One Week!

Included in the above will be such things as movie or roller skating dates, snacks and all other incidentals usually covered by the bawny sex. In other words, Sadie Hawkins Week is 366 days of leap year rolled into 7.

Climaxing the event will be a mountain-style dance sponsored by the social committee Saturday night. At this time a hill-top fashion parade will be staged. Prizes will be awarded to the best dressed (by "hill billy" standards) guy and gal. Costumes should be inspired by or patterned after those in Al Capp's comic strip.

Wear Lil' Abner Costumes

Faculty and students alike will also be authorized to wear special "Lil' Abner" costumes all day Friday or during the entire week, for that matter.

For the uninitiated it might be explained that Sadie Hawkins Day, or week, was originated a number of years ago by Al Capp in his famous comic strip, "Lil' Abner."

Sadie Was Mayor's Daughter

It seems that Sadie, a homely girl, to say the least, was the daughter of the mayor of "Dogpatch," mythical metropolis of the hills.

When, after several decades had elapsed, Sadie had still not managed to catch herself a man, the mayor, determined to get her off his hands, assumed his official capacity and declared what has become known as Sadie Hawkins Day.

Sadie Got Her Man!

All eligible bachelors in Dogpatch were brought to the starting line at sunrise and given the signal to run for their lives. After a suitable time (all of five minutes) had elapsed, Sadie was given a signal and she ran for her man, returning before sunset successful.

Other women in Dogpatch, envious of Sadie's success, decided that the day should become an annual affair. It has in more ways than one. From this humble beginning, the Sadie Hawkins spirit has left the printed page and has become three dimensional.

Now Sadie Hawkins Day or week (to give the girls an even better chance) is observed annually on college and university campuses from coast to coast, and is rapidly becoming part of the great "American Tradition."

Air Force Lieutenant Studies at Dayton, Ohio

First Lieutenant Alva F. Lett, Jr., of Pickering, a former student at the college, is now studying a course in Industrial Administration at the U. S. A. P. Institute of Technology, Wright Patterson A. F. Base, Dayton, Ohio.

Lt. Lett is the son of Mr. and Mrs. Alva F. Lett, Sr., Pickering. He was a student here before entering the Air Force in 1942.

Mr. D. N. Valk Attends Meeting at Pittsburg

Mr. D. N. Valk, chairman of the industrial arts department, left Thursday, October 20, to attend a meeting of the Four-State Industrial Education Conference. The meeting, held at the Teachers' College at Pittsburg, Kansas, was attended by 400 people from Kansas, Missouri, Arkansas, and Oklahoma.

Dr. Mays, head of the industrial education department at the University of Illinois, addressed the group Friday afternoon on the subject, "The Place of Industrial Education in the General Education Program."

Manufacturers specializing in industrial education equipment had twenty displays at the convention, including welding equipment, wood and metal working machines, and other industrial education supplies.

The conference ended Saturday afternoon, October 22.

Librarian Johnson Has New Checking System

Mr. James Johnson, college librarian, has announced that an entirely new system of checking out books has been instituted. This new means of borrowing the books is much simpler and will ease the burden on all concerned.

Through the use of two cards placed in the back of each book, errors will be brought to a minimum. The element of time required in checking out a book will also be reduced. Library employees are now about half finished with the job of converting all the books to the new methods.

Those checking out more than two books will benefit especially by the time saver, as call slips will no longer be used. Persons wishing to locate a particular book will be helped as it will take but a very short time under this new system.

Houghton's Ag Men Try Judging Felton's Herd

Although the boys in the Agriculture 41 class may be improving in the art of livestock judging, they still have a tendency for failing to agree with the classification standards of Mr. F. B. Houghton, the instructor.

After much drill on the fundamentals, the class was taken on a jaunt to the country recently to acquire practical judging experience with cattle owned by Mr. Austin Felton, well known as "Curly."

Mr. Felton runs about a hundred head herd and is a prominent registered Hereford breeder in northwest Missouri.

Each member of the class was given the opportunity to inspect a few of the selected individuals of the herd and classify them according to his own judgment.

Ironically, it seems that a full three-fourths of the group were inclined to disagree with Mr. Houghton's ratings. However, more trips are scheduled and the boys will be given a chance to improve. It is encouraging to note that a good judge is not made in one day.

Diggs and Elliott Are Promoted to Sergeants

Two college students, members of the local National Guard, have been promoted according to Captain John W. Liddle, commanding officer of Headquarters Battery, 129th Field Artillery Battalion.

Darrell Diggs and Richard Elliott were raised to the grade of Sergeant Grade III.

Homecoming Queen Joyce Bailey Is Crowned

Shown above is Joyce Bailey, Queen of the 1949 Homecoming, and her attendants. From left to right they are Marilyn Alexander, Albany; Sarabel Davis, Ottumwa, Iowa; Miss Bailey, Maryville; Norrine Norris, Independence, and Jean Short, Excelsior Springs. Miss Bailey, a freshman, was crowned by Sam Carpenter, president of the student body, at the variety show Friday evening. She was chosen by the student body in an election Thursday, at which time more than two-thirds of the students cast votes.

Sophomore Class Elects Herbert Awe President

Herbert L. Awe is the newly elected president of the Sophomore Class. After two deadlocks at the polls, the ballot went to the Student Senate for a decision. The senate appointed Herb to the position of president. Herb hails from River Grove, Illinois, and is striving toward a B.S. in education with a major in political science. He is a member of the Independents and the Alpha Psi Omega.

The new vice president of the class is Mary Jo Winn from Smithville. She is working toward a B.S. in secondary education with a major in mathematics. Jo is active in the Delta Sigma Epsilon sorority.

Robert "Bert" Walker was elected to fill the office of secretary. Bert, from Albany, is a vocational home economics major. She is a prominent member of the Sigma Sigma Sigma sorority and the Kappa Omicron Phi.

Treasurer of the class is Donovan L. Willis of Maryville. Don is a pre-engineering student and is a member of the Sigma Tau Gamma fraternity.

Miss Dorthie Hall Is Visitor at Conception

Miss Dorthie Hall, English instructor at the college, attended a retreat at Conception Abbey from Friday to Sunday afternoon, October 14 to 16. Miss Hall attended as a non-Catholic.

A part of the retreat was a pilgrimage to the St. Scholastica Convent at Clyde. The retreat group visited the Chapel of Perpetual Adoration and the Relic Chapel. Miss Hall said the Perpetual Adoration Chapel is a beautiful sanctuary decorated by mosaics instead of paintings.

The Relic Chapel contains sacred relics such as a piece of the cross used in the Crucifixion. Miss Hall stated that from this retreat she gained "peace and understanding."

Sergeant Walter Allen Assumes Duties in City

Sgt. Walter P. Allen, of Linn, has reported as an instructor to the 129th Field Artillery Battalion, and will be stationed at Maryville.

Sgt. Allen will assume the duties of warrant officer James E. Storey when the latter leaves for duties with the regular army.

Mrs. Allen will move to Maryville in the future.

President Dedicates 'Memorial' Stadium

Pre-game Address Honors Memory of Soldiers, Living and Dead.

Just prior to announcements of the lineups of the football teams at the Maryville-Cape Girardeau homecoming game Saturday afternoon, Dr. J. W. Jones, college president, made a short talk over the public address system in which he dedicated the new stadium. His address is as follows:

"This is the third homecoming under the present scheme of organization. I cannot let this opportunity go without just a word of praise to all the students and faculty who have cooperated with the homecoming committees to make this homecoming a success. I am sure that your presence here today is evidence of your appreciation to the students and faculty who have worked hard to make this day the splendid day that it is. I cannot take your time to enumerate all those who have worked long and faithfully on this project, but the results show a spirit of cooperation that is wonderful. On behalf of all of you I want to thank all of them.

"Many men and women have gone from this campus into the service of the United States. The roster of World War I lists 102 names of students who went forth in 1917-18 to answer the call to the colors. Of this number five are listed as killed in the line of duty. The Honor Roll for World War II lists 1,072 names with 34 known to have died in the service of their country. In World War II the college served over a thousand students in the Navy's V-12 program. Now your College is part of one of the greatest programs of higher education ever conceived in the history of this country: The education of the returned service men and women for their places in the world of affairs under the GI Bill of Rights.

"It would not be fitting at this time to try to name all these men and women or to name those who have been interested in athletics. Suffice it, at this time, to pay our sincere respects to all those who have served their country and their college.

"It seems entirely fitting in the light of the contributions to this college of these service men and women, both living and dead, to dedicate this stadium to their memory. I trust that this is but the first unit of what some day may become a

(Continued on Page Three)

Speech Department Will Give 'Joan of Lorraine'

The speech department of the college will present Maxwell Anderson's "Joan of Lorraine." December 8 and 9. The play, in two acts, will be directed by Mr. Robert P. Gee, of the speech department. The entire cast has not as yet been selected, but Miss Ivol-dene Crabtree will play Joan.

The play was originally written for Ingrid Bergman, who opened with it in Washington, D. C., on October 29, 1946. Sam Wanamaker played the part of Jimmy Masters in this production.

Rehearsals began Monday, October 31. The cast and director will have six weeks of work before the final presentations. Mr. Gee hopes to obtain the costumes worn by the original cast from the Eaves Costuming Company in New York City.

Silver and Freel Head Improvement Committee

Out of the student teaching seminar has grown a new organization, the Committee for Improvement of Student Teachers' Program. Co-chairmen of this group are Irving Silver and Herman Freel.

This committee will work in an advisory capacity. After plans for changes in the student teaching program are submitted to this group, they will correlate the material. Then a report will be sent to the faculty for suggestions, and if a favorable comment is received, the report will be submitted to the faculty council for action.

The chairmen say, "We hope to achieve a better all around program for the student teachers who will follow in years to come and give these student teachers a fuller and better understanding of the teaching profession."

Sentiments of the education department were echoed by Dr. Clifford L. Bishop, chairman, who remarked, "We are very happy about it."

This organization works closely with the North Central Committee on Professional Education. Miss Mabel Cook, of the home economics department, is chairman of the committee.

Kappas Buy Radio-phonograph. The Kappa Omicron Phi organization has purchased a new radio-phonograph which has been placed in the lounge of the home economics department.

Organizations Win Homecoming Prizes

Ag Club Float Is First; Independents, APO Are High in Activities.

The A3 Club, with its slaughter house and miniature Bearcat football field, was the winner of the \$50 prize for the best float in the college homecoming parade Saturday.

The Sigma Sigma Sigma sorority won the \$15 first prize for the most original idea in a float with "Hold That Line" and won first in the parade participation contest based on the quality and quantity of the organization's work toward the parade.

APO Frat a Winner

For the house decorations, the Alpha Phi Omega fraternity's "Crack 'Em Up" with a man crushing a rock pile, was the prize-winner.

The Independent Club's skit on the Forty-Niner's dream school was judged the best skit in the variety show Friday night.

High School Band Winners

Hamilton high school and Oregon high school won first place in the band contest in Classes A and B, respectively. Savannah was second in Class A while Rock Port and Maryville received honorable mention.

Class B's second place went to Graham while Gower and Fairfax received honorable mention. Norman James was named the outstanding back of the homecoming game and Wilbur Pollard was the outstanding lineman.

Second Best Float

The second best parade float, the "M" Club's "Dream Boat," won a \$35 prize and the Association of Childhood Education was third and won \$20. The A. C. E.'s pictured the homecoming team of 1953. Alpha Sigma Alpha was fourth, receiving \$10, and Delta Sigma Epsilon and Kappa Omicron Phi tied for fifth.

Armand Hofer's green job won the jolopy prize of \$5 and Robert Baldwin won the \$5 for being the best clown. Other clown awards went to Louis McDermott, Virginia France and Terry Noah.

In the most original idea costume, in connection with the floats, Kappa Omicron Phi and the Independent Club tied for second place, Alpha Omega was third and Off Kampus Klub was fourth. The Association of Childhood Education placed fifth. Kappa Omicron Phi had a model stand and said "Style Change, But Loyalty, Never." The Alpha Phi showed an Indian being hung by the neck and shot down.

Plaques Are Given

Plaques were given to three organizations for their participation in the parade. Besides the first place Sigma Sigma Sigma, Alpha Phi Omega won second, and Alpha Sigma Alpha was third. The Independents and Delta Sigma Epsilon won points, as fourth and fifth, toward the supremacy trophy, awarded to the organization which does most toward homecoming.

The Association of Childhood Education was judged the second best skit in the variety show Friday night with the Mother Goose theme. The combined skit of Alpha Sigma Alpha and Sigma Tau Gamma won third.

Jammed for Variety Show. Delta Sigma Epsilon with the "Women's World" and Sigma Sigma Sigma with the "Shiek's Harem" tied for fourth.

The first three placings won a plaque and all five won points toward the supremacy trophy.

Second in House Decorations. Alpha Sigma Alpha's house decoration on "We'll Get 'Em in the End" won second prize in the decorations and Sigma Sigma Sigma's wash line placed third.

Fourth prize went to Delta Sigma Epsilon and their witch, who was stirring up trouble for Cape. The Phi Sigma Epsilon fraternity and their "Eat 'Em Up Bearcats" placed fifth.

Dr. Harry Allen Overstreet Will Be Assembly Speaker, November 14

HARRY ALLEN OVERSTREET

State Committee Is Planning Fund Bill

Dr. J. W. Jones Presents Requests for Building, Repairs, Other Needs.

An appropriation of \$1,025,000 for Northwest Missouri State College was put back into a bill Wednesday by the House appropriations committee which met in Jefferson City. The committee tackled almost 2 million dollars to a bill carrying funds for a multi-million dollar building program at state institutions. As approved the bill calls for \$15,675,846 of the post war reserve funds.

Can Transfer Funds

Rep. Fred Ray Columbo (D) of St. Louis, committee chairman, said he wasn't worrying where the additional money is coming from.

"There's more than \$25,000,000 in the state treasury which can be transferred to the postwar fund by the legislature," Columbo said.

Most of the items carried in the bill once were passed by the house. The same eliminated them last June with the understanding they would be considered at the assembly's fall session.

Ready for House Action

After an all-day meeting in which spokesmen for the state institutions were heard, the committee adopted amendments adding \$1,960,201 to the bill. The largest single increase, \$400,000, went to the St. Louis state hospital for building and equipping a laundry.

The bill now is ready for house action when the representatives come back Nov. 7.

Rep. I. E. Tulloch of Maryville, nodaway county's representative who is a member of the committee, attended the day-night session. In attendance were state college presidents, including Dr. J. W. Jones of Maryville, who presented the application of the local school for \$225,000 for repairs and replacements and \$800,000 for an instructional building. These two items were in the original bill.

W. A. A. Members Give Party for New Students

At its annual welcoming party for freshmen and new students, the Woman's Athletic Association presented officers for this year.

They are Frances Huntsman, president; Mary Neville, treasurer; Nila Geer, secretary; Margaret Berry, play day chairman; Margaret Teaford, historian; and Sarabel Davis, reporter.

The activity chosen for this quarter is softball with Mary Booth in charge of practice sessions. Betty Jane Tleman is in charge of hiking.

As Social Philosopher, He Has Important Message Concerning Living.

Is Author of Many Books

Will Discuss "The Mature Mind." Recent Publication Dealing With Adult Problems.

Harry Allen Overstreet, philosopher and psychologist, will come to the campus, Monday, November 14. At the 10 o'clock assembly, he will lecture on his recent book, "The Mature Mind."

Mr. Overstreet, interested in "what we owe to ourselves as human beings," believes that the findings of psychology and the insights of philosophy should be tested in daily living and that our daily living can benefit by these findings and insights.

Lecturer Studied at Oxford

Educated at the University of California and Oxford, the lecturer served for two years as chairman of the department of philosophy and psychology of the College of the City of New York.

A pioneer in the field of adult education, he has made notable contributions to both the philosophy and practice of that field. He has served as research associate of the American Association for Adult Education; as a member of the Board of Trustees of Town Hall, New York; as director of adult education summer sessions at the University of California and Harvard; as a member of the staff of adult education workshops at Claremont and Mills colleges, California; and as a research member of the lecture staff of Town Hall and the New School for Social Research.

Overstreets Teach Together

During the past several years, he and his wife, Bonaro Wilkerson Overstreet, have taught on the staff of the extension service of the University of Michigan, conducting a series of eight-week classes for business and professional groups, as well as for the lay public.

Mr. Overstreet has served also with the extension division of the University of California and with the department of public instruction of the Territory of Hawaii, conducting short courses, in-service institutes for professional groups, and community institutes.

Students May Receive Aid From College Fund

Several individuals have at various times given money to the College for students in need. A sizeable fund has accumulated and is ready for disbursement by the Student Loan Committee.

The loans are non-interest bearing, and the repayment obligations are quite liberal. The requirements for eligibility for the use of the fund are few. A student has only to show a need and maintain reasonably good grades.

Anyone interested in obtaining a loan should see members of the Student Loan Committee who are as follows: Dr. Sterling Surrey, chairman; Mr. Everett W. Brown, field service director; and Mr. F. B. Houghton, agriculture instructor.

Mrs. R. H. Summers Will Join Husband in Hawaii

Mrs. R. H. Summers, nee Lorene Bruckner, a former College student, is going to Hawaii to join her husband, a warrant officer in the air force. They expect to stay there for three years.

Mrs. Summers received her degree in 1926. She had a physical education major and an English minor. In 1927 she taught at the College.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us.

FACULTY ADVISER.....Miss Violet Hunter

IT TAKES COOPERATION

That part of the fall quarter to which we all look forward has come and gone again. Homecoming of alumni and friends of the College is one of the biggest events of each year, and we feel that it was especially big this year.

Many new ideas were used for the distribution of work during this year's preparations. We of the over-all committee have felt more spirit of cooperation among the people who worked to make Homecoming possible.

Personally, we like to feel that this last Homecoming was a huge success. We hope the alumni thought so; we hope the faculty thought so; we sincerely trust the students all agree that it was.

We wish to give all credit for the success we realized to the individuals who helped in Homecoming preparations. No small amount of credit should be given to a hard working, aggressive student body. Without the combined help of all our organizations, there could have been no Homecoming.

We wish to express the gratitude of the entire school for the contributions and friendly assistance of the local merchants, Chamber of Commerce, and the local police force. Their help was invaluable.

Members of our own faculty who were the best of advisers and fellow-workers certainly get our vote of thanks. Last but far from least in importance, a rousing cheer should go to Dr. John Harr, our able faculty leader for Homecoming activities.

To the alumni who came back, we can only say "We're glad you came. Do come back next year and bring others with you." Once again our thanks to all who helped, and a toast to bigger and better Homecomings in the future.

Bill Elam, Jane Bovard
Co-chairmen for '49

WHY?

"Here, you are an art major, can you have this poster finished by tomorrow noon?"

Crawling from under the ever increasing stack of unfinished drawings, the art major manages a weak "Uh huh—sure."

This may be an extreme case. But, too many students take for granted the work that enters into any College activity. When there is work to be done, it is much easier to place the work in the hands of someone else.

Yes, we are human and we prefer to have things done for our enjoyment, but consider the people on whom the responsibility is placed. The students and instructors who devote their time and energy toward making any activity on this campus a great activity deserve the help of the entire student body.

Special events, such as Homecoming or school dances, would be more appreciated by guests and individuals alike if everyone helped make them successful. Why do we place so much responsibility on so few—Myron Mock

CONGRATULATIONS

The appearance of the College band during the half time at the football game Saturday afternoon made a definite impression as to the progress of Maryville State.

Arrayed in green and white uniforms, Mr. John Snay's marching band made a show worthy of the Homecoming afternoon. One regret is that the College marchers had not appeared at previous home games.

There is more to a football game than just the football plays—there are the spectators, the cheers, and the band! Therefore, for a job well done in their part of the Homecoming program congratulations are extended to the members of the Northwest Missouri State Band.—Herbie Awe

Calendar

November 2, Wednesday—
Delta Sigma Epsilon 7:00-9:00—
Room 101.
Phi Sigma Epsilon—7:00-9:00—
Room 120-121.

Students Who Report Promptly Are Excused

Excuses for absences will be given to only those students who have reported their absence on the day that they have missed class. The faculty has been asked to accept only those excuses which are mimeographed and signed by the nurse in charge of either the Health office at the College, or the Health office at the Horace Mann school.

Hours at the College Health office will be from 9 a. m. to 12 noon, and 1 p. m. until 4 p. m. In case of emergency, the College nurse can be reached at Residence Hall after office hours. The Health office is on the second floor of the men's gymnasium and the telephone number is 147.

Horace Mann Students Present Music Program

Second, third and fourth grade students of Horace Mann presented four numbers for the elementary teachers, Friday, October 7, in the College auditorium.

America; The Spanish Hymn—Sing to God; The Jolly Miller, Schubert; and Mozart's Lullaby were the numbers presented by Miss Miller's students.

White surplises with black ties were worn by the students. Accompanying them was Norman Clouse, student teacher in the intermediate grades.

Library Staff Holds House Warming Supper

The library staff and their families held a housewarming supper and fruit shower for Mr. James Johnson, librarian, and his family at the Johnson home, 1010 North Buchanan street, on the evening of October 4.

Those present at the event were Mr. and Mrs. Johnson and children, Tim, Bobby, and Judy; Mrs. Hubert Garrett and her father, Mr. R. W. Nelson; Miss Beulah Neprud; Miss Lucille Brumbaugh; Mr. and Mrs. William Cummings and daughter, Billie; Mr. and Mrs. Dan Emerson; and Mr. and Mrs. Robert Osborn.

Hilltop Highlights

Academically Speaking
Homecoming is all over now; everyone can rest till next year. The rivalries, tension and excitement have ebbed, but memories will linger on. The orchid of the quarter should go to Dr. Harr for his efficient handling of Homecoming. Here's hoping to see Miss Grace Shepherd back on the campus soon. The cool weather should bring a life in academic work. Those walks up town with your favorite will be fewer when the snow sets in. Let's talk Student Union now that Homecoming is over. It will take everyone's cooperation to be a success.

Beacat Briefs
Star of the Springfield game. Marvin Weed. The pitter patter of little feet on the hard wood courts denotes the coming of another basketball season. Pat Zuchowski running; a fast ten laps the other day, five for drinking coffee and five for trying to hide it. Wilbur Pollard showed his mother around the campus a week ago. She came all the way from South Bend Indiana. We hear they have a fine football team around there also. Notre Dame, that is. Famous last words. "TAKE FIVE COACH!"

The Social Spotlight
The Phi Sigs' pledge dance, where the actives actually are planning to act human this coming Saturday night, the Homecoming dance really proved that there are plenty of "hep" couples on the campus. Saddle Hawkins week being only a few days away. Now's your chance to catch that man of yours, girls! Orchids to the students Christian Association and the Alpha Phi Omega for joining the growing list of supporters for the Student Union. Best of luck to

the fast growing Independents. A fine group of young men working for our school. Watch for big lights at the Den this week; the Tri Sigs are party going again.

After Hour Stuff
A new bachelor apartment uptown where the fullback makes the coffee and the halfback peels the potatoes. The Sig Taus activating a new crop of pledges. The Legion Club where the "Vets" get together after their studies and swap yarns. No. CoMo Cafe, where the coffee gang meets to eat. Those "cat" sessions at the Dorm where incoming girls put one hand on the Bible and the other on a microphone to tell about their dates. The "cow" sessions at the Quad where the fellows take sad toll of the financial situations. And so on into the night.

The Highlighter

SENATE NOTES

The Student Senate granted the use of the Beacat Den to Bob Guthland for a committee meeting on October 21.

The resignation of Martha Strickler as cheerleader has been accepted. Her successor, unanimously elected by the Senate, is Belle Sicksels.

Senator Jerry Shells will be the representative for the W. S. S. F. drive on the campus.

Sigma Phi Dolphins have been granted permission to sell greeting cards on the campus.

Plans are being made to consolidate and increase the student cheering sections. A suggestion has been submitted whereby Section C will be marked off and signs erected designating students only. The pep organizations will be asked to work with the cheerleaders in promoting cheering.

EVERY STUDENT GET A STUDENT

Platter Notes.. by Johnny

Les Brown, with his "Band of Renown," is, as usual, playing some real danceable stuff. His release of "You're Different" is vocalized by Ray Kellogg and background choir. A smooth one can be had in Woodrow Herman's rendition of "Early Autumn." That Bill Harris trombone (ex-Kentonite) brings out the rich beauty of the number.

It seems that good ol' two-beat Dixieland has taken an upward trend. An old cutting of the pre-war Bob Crosby band has been selling hot of late. "Wolverine Blues" and "Little Rock Getaway" are fine waxings that will make any Dixie-cat jump for joy.

Vocals are many and the best this issue. Nat "King" Cole has a real "gone" number that is a must for anyone liking the "King's" stylings. "The Christmas Song" is one of the greatest vocal records made in the last 10 years. The other side is a novelty from last winter. Remember "All I Want for Christmas Is My Two Front Teeth"? "Supper Club" Stafford has two hits in her waxings of "Gesu Mia" and "I Wonder as I Wander." Jo's clear, cold, flute-like voice is perfectly adapted to this sort of caroling.

Tops in "bop" this week is another by Charles Edward Ventura. "F. Y. I." and "Bopturn" are the two waxings taking the first prize jug of cider this time. Boppy vocals by the Ventura duo are mellow and gratifying as usual. Kai Windings' sextet is doing quite well. Their latest is a pleasing nightmare called "Sleepy Bop." Charlie Barnett is giving the music biz the brush. The "Mad Mad" gives as his reason "continued operating in the red in which there is no percentage." Rated as one of the top two or three aggregations in the country, Barnett's music will be greatly missed.

Let's change the tune from classic to polka. It's getting more popular by the day with "Blue Skirt Waltz," as recorded by Frankie Yankovic, gaining the peak at present.

Seems that "Chovie" Zolenz and Yankovic are close as two peas in a pod. Different pods, of course.

Well, all you people, I'll hibernate 'til next time.

Twenty Years Ago

Earl A. Davis, better known as "Lefty," is now starting his third year with the athletic department of this College.

Campus changes include the new football stadium northwest of the gymnasium. Bleachers, which will hold four thousand spectators, will be erected. It has been rumored that the field will be equipped for night football next season.

Coach Henry "Hank" Tob will begin regular basketball practice this week.

The girls living on the third floor at Residence Hall entertained the other girls with a Halloween party. Lights were turned off and ghost stories told.

Ten Years Ago

Mr. C. E. Wells, College Librarian, announces that the library will be open from two until five o'clock on Sundays. The library has not been open at night because the lighting equipment has not arrived.

A study has shown that the best way to study is to assume the horizontal position. Psychologists visualize future schools equipped with reclining and sleeping accommodations.

Miss Mattie M. Dykes attended a dinner Sunday in honor of the golden wedding anniversary of her uncle and aunt, Mr. and Mrs. J. E. Martin of King City.

The Bearcats are preparing to turn those Cape Indians into squaws.

All women students who plan to attend the game in Warrensburg must have letters from their parents giving them permission.

Considerable excitement was caused at Residence Hall last Monday evening when an unidentified man paid a visit there. He pretended to have come for baggage but fled when the night watchman was summoned. His car had an out-of-state license.

Mr. Wright Adds Show Birds to Poultry Stock

Mr. R. T. Wright now possesses a new type of fowl, a swallow-pigeon. The bird has the habits of a pigeon, and looks somewhat like one, except that the head looks like that of a dove. These birds have beautiful turbans on the back of their heads. They also have an unusual colored streak running from the bill to the middle of the forehead. The body of the bird is white except for the wings, which may be solid or checkered black or red. There are feathers from four to six inches long on each foot, and they grow out in a fan shape from the ball of the foot. The birds walk as if they were wearing skis.

The food for this type of poultry consists of wheat, laying mash—similar to that of the chickens, grit—which is definitely an essential, and water.

The birds fly, coo, and breed as the pigeons and doves do. They belong to the Columbae family.

Mr. Wright's misfortune struck the other night when "Uncle Tom," the cat, visited the coop and helped himself to two of the show birds. They must have been the unlucky seven. Mr. Wright now has only five.

From the Den

Oh, the yells and disappointed sighs of the baseball fans at the end of the last inning of the first game of the series when Henrich hit his homer! Jack Miller and his coal selling deal. The frats and sororities are off to a good start! The eclipse of the moon the other night. The number of students that were watching it, it must have been a success. Herb, it was over at eleven!

The boys at 529 say that white is the predominant color this year. The G. I's are getting their hands caught in the mail boxes looking for their checks. The assemblies during teachers meeting must have been interesting from the number of students that attended them. Or has someone another explanation? Really, though, it was good to meet the alums that were here for the event.

Some of the Phi Sigs thought the game with Northwestern was Homecoming. Many of the grads returned for it. Jerry, Charlie, and Butch went to Grant City after the game with Rolla. Several of the boys are cooking this year. Meals, that is. The girls at the hall complain that the water is too hot for showers. The Sig Tau may ride the other Sunday evening. Marge, all the college students aren't wolves.

awooooo. LaRu told the boys about St. Joe. Quite an interesting place, no? Delta is wearing a ring on that finger. Congrats to Joyce and Ralph. Humanities students were discussing Henry VIII. The guy with six wives. Some can't get one. A certain Iowa alum makes his appearance every week end. Just can't stay away. One of the boys from 320 does the "family" wash at the automat. A student in F. E. 130 doesn't know the answers to Mr. Davis's questions.

One suitcase student missed his ride home and had to stay over the week end. It wasn't sooooo bad? Several faculty members sold tickets to the Lions Club

The Stroller

Avast all ye land lubbers and ye week end swimmers, Homecoming has passed and ye old Stroller is here to top off some of the highlights of the days that towered as high as a crow's nest in enjoyment.

All those beautiful women who were on the queen's court, aye, and the queen especially, ranked higher than any mermaid of the seven seas.

"Yo ho ho, and a bottle of rum!" Say, ye Stroller is still a bit on the "wavy" side after that rejuvenating week end, but bear along and we'll see if we can't sensibly remember a few things.

... Pause ...

From out of the whirlwind of activities during Homecoming blossomed forth a new club—the Phi Sig Dance Club, derived, transformed, and supported by Mr. Gee.

The Homecoming parade was one of the best in Maryville State's history. The Independents pulled off a "shrewdie"; Bill Elam looked "right smart" in that new '26 Dodge touring car. The Stroller thought that one of the most impressive sights of Homecoming was the marching band Saturday afternoon between halves of the football game. TACT-fully approaching the situation, he thought the uniforms looked sharp!

One of the most puzzling things out of the Homecoming week end is—who are the "sunshine patriots" that needed green and white flags?

Monday seemed somewhat inactive. Not that there were many absences, but in several classes roll wasn't taken, just the names of those present were recorded. And not saying classrooms looked bare, but Mother Hubbard surely would have been at home. Ah yes, these people that "hang over!" Yesterday was in its happy normal condition, and now that Homecoming has passed everyone is cooperating for the new Student Union.

And here the Stroller congratulates and thanks the members of the Homecoming committee, and also every student, who helped in making Homecoming such a grand success.

Your roving vertebra happened to attend an assembly, a few assemblies back, and met all the beautiful candidates for queen and the queen's court. She thought it might be advantageous for the enrollment figures if senior day assembly might somehow be combined with that assembly.

There seems to be much originality around the campus. Marlin Carey has been inventing new games, and one of his newest creations is an enjoyable little feat called "Kiss on the mouth." The Stroller has discussed this with himself and has decided that perhaps Mr. Carey's arm was not really injured in a FOOT-BALL game!

Students seem to develop many shocking examples of studying. Glen Sherry was found wandering around in his stocking feet; through sparse conversation it was found that he was studying anatomy. The Stroller has discovered that there are many more interesting ways to study anatomy.

Bob Cascio claims he knows the words to "Twelve Hours of Sunshine." He admits the real title of the song is "Twenty-Four Hours of Sunshine," but then declares that he knows only half the words!

Physics class stimulated a few neuro-blasts a couple of meetings ago. Students used to wonder why Mr. Gross threw home work at them so fast, until they came to the agreeable conclusion that he was born in a P38.

Overheard in a telephone conversation: "Oh, I don't think I'm so handsome, but who am I to argue with all those other people?"

Surprisingly true, a verified rumor is that Robert Guthland never goes to school on his birthday. Sounds sensible. If we celebrate Lincoln's and Washington's birthdays, why not honor ourselves once a year? Debating the situation, the Stroller has come to the conclusion that there are several students at Maryville who have several birthdays each quarter.

Well, sailing time is reachin' up over port side, so with a partial quotation, "don't cha know," I'll be dogking in port in a couple of weeks. See ya' around then, Matey! Oh, fifteen men on a dead man's chest.

minstrel show... now we know how some make those grades... have you heard about the employers' predicament? Well, it was this way... oh, it wasn't any good anyway... toodle do... Shell.

Strong Traffic Jam Was Weak

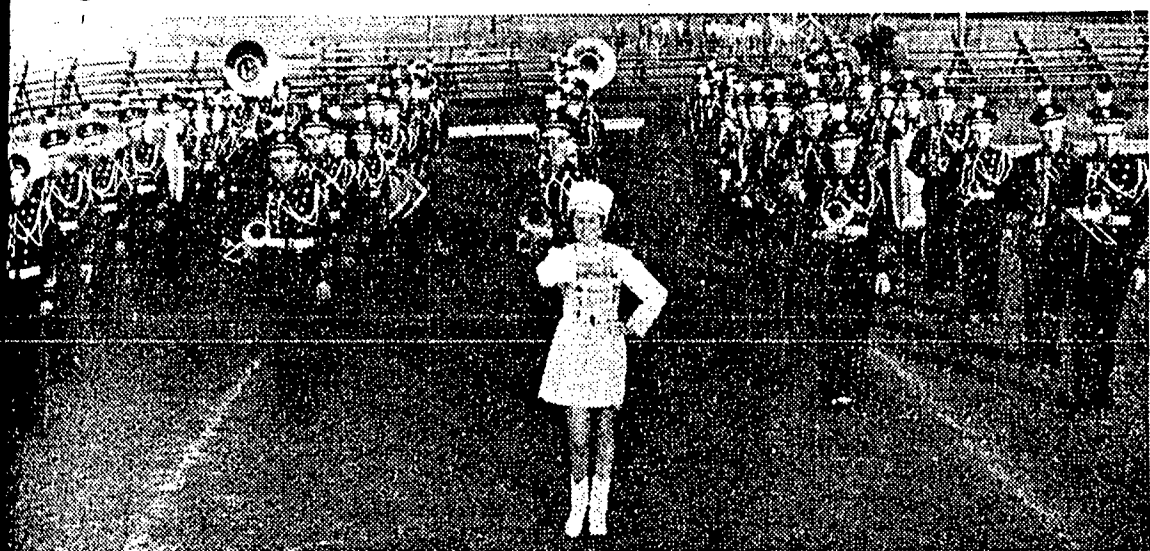

Dr. Gordon J. Strong, acting chairman of the physical science department, caused a minor traffic jam the other morning. His car stalled on Ninth street, just over the tracks behind the Industrial Arts building. Because of the narrow road, other cars couldn't pass.

Kindergarten Children Give Parents a Party

At Horace Mann on Tuesday night, October 18, a get-acquainted meeting and party was held for the parents of Horace Mann kindergarten children. Those attending from Veterans' Village were Mr. and Mrs. William Cummings and Mrs. Truman Geer.

Miss Chloe Millikan lectured on "The Five Year Old." After the program refreshments of pie and coffee were served.

Say Now --- That Is Just What We Wanted

State College homecomers had an opportunity to see the uniformed marching band of the alma mater when they returned Oct. 29. Shown above is a picture of the band taken on the College football field. In front is one of the three majorettes, Miss Charlotte Stegall of Savannah. The band appeared before the public for the first time Oct. 29. The band is under the direction of John Smay of the college music department. This is the first time in years that the College has had a uniformed band. The uniforms are strictly West Point style, made in dark green with gray trimmings. Each uniform has a bearcat patch insignia on the left shoulder.

Ready to Welcome Campus Visitors

Two members of Alpha Phi Omega fraternity and their sponsor are shown behind the sign they erected at the entrance to the College. Left is Gordon Bennett, Geneva, Ill., and George Silver, Trenton, N. J. At the right is Myron P. Rose, faculty sponsor. Alpha Phi Omega is a service organization composed of former Boy Scouts.

Boisterous Cheers Precede Cape Game

"March on to Victory" Is Chosen as Homecoming Pep Rally Song.

Torches glared on the sidelines of the Bearcat grid iron Friday night as 300 enthusiastic pep rallyers rocked the open air with cheers.

Coach Ryland Miller's forces were cheered by emotional victory yells, and they would be well supported in the homecoming contest that afternoon.

led by Monty Pitner, the pep rally featured the speaking of Coach Miller.

Coach Miller recognized the importance of the rally and stated that it was "a great value to the boys" and that "we will, I hope, try to give you something to see you haven't seen in the past!"

Making no direct statements, Mr. Miller did confess that he "hopes" he can have as good time out on the football field as you are having tonight.

"We will do the best we can do," was his concluding statement, and the crowd gave fifteen thunderous cheers for the Bearcat coach.

Ceremonial Master Pitner then announced that two organizations were submitting pep songs, one of which was to be used for the homecoming weekend. The Sigma Sigma Sorority's "March on to Victory" was chosen over the Independents' song, "We Are the Bearcats."

Dewey Allgood, assistant coach, was introduced and called upon to say a few words. He almost immediately declared that "we're gonna beat Cape tomorrow!" "If the boys play the type of ball they played in Springfield, we should have another victory."

The spirited assemblage shouted their joining approval and confidence, and then rose to their feet as the College pep band slipped into the measures of the "Alma Mater."

Phi Sigmas Entertain Seventy at Homecoming

Members of alumna chapter of the Sigma Sigma Sorority were hosts Saturday to the annual homecoming breakfast which was held at 8 o'clock at the First Christian church.

Sorority colors of purple and white were used as table decorations. Messages of white chrysanthemums, and with purple ribbon, were presented to the guests. Seventy alumnae, wives and pledges attended.

Mrs. Homer Ogden, alumnae president, presided. Members of the planning committee included Mrs. Geraldine Barrett, Mrs. Emmett Scott and Mrs. William Phares, Jr.

All Dolphins Promoted Homecoming Activities

Sarabel Davis, of Ottumwa, Iowa, represented the Sigma Phi Dolphins in the Homecoming Queen contest. Mary Booth, also of Ottumwa, was chairman of the Dolphin float committee.

All members of the organization and white mums to the alumni and students at the Homecoming game.

They Live in Vases

They are really something to see—the little Guppies in the biology room. They are one of the more intriguing types in Mr. William T. Garrett's collection of tropical fish.

The females of the Guppy family attain a length of about two inches, while the males grow to be about an inch. However, the males offset their deficiency in size with their "spectacular" array of colors, seemingly to be sprinkled with every color of the rainbow. They are very active and on occasion have been seen to leap out of the water in response to their extreme curiosity.

The Guppies are live bearers and are very prolific. The babies are transparent and would be hard to recognize were it not for their comparatively large size.

They are native of South America and come in a number of varieties. These exotic creatures are commonly called "vase fish" because they will live in almost any small vase provided with some type of aquatic plant. Although the Guppies are ravenous feeders they are hardy and require little care, a fact which contributes to their popularity.

Students Off Campus Form New Organization

Students that live off the campus met in Room 224 on Thursday, October 13, for the purpose of organizing a social group.

This organization is to take the place of the Varsity Villagers and is to include both men and women students. The group chose the name "Off Kampus Klub" for the new organization.

The officers elected are as follows: Richard Gordon, president; Effie Moffet, vice president and social chairman; Lowell Adams, secretary and treasurer; Marilyn Nelson and Jewell Rice, reporters; Miss Martha Locke is the sponsor.

The OK Klub entered a float in the Homecoming Parade.

Kappa Phi Admits Five New Sorority Members

The following College women have become active members of the Kappa Omicron Phi sorority: Polly Cramer, Pasadena, Texas; Betty Davis, Lock Springs; Mary Margaret Hartness, Barnard; Ruth Slater, Blackton, Iowa; and Roberta Walker, Gentry. The formal initiation was held October 17.

On the same evening, the following pledges were initiated: Marilyn Alexander, Albany; Mary Belle Bast, Dexter, Iowa; Mary Burger, Van Meter, Iowa; Romona Calkins, Hopkins; Marjorie McGee, Ottumwa, Iowa.

Frat Men, Attention It is reliably reported that Mahatma Gandhi left College because all the girls were after his pin.

Cooperation Is the Thing!

Two social organizations, the Alpha Sigs and Sig Taus, combined their talents for a skit given at the homecoming variety show. Shown practicing for their skit are, left to right: Joanne Masters, Jack Slack, Dean Steeby, Charley Wright, Margie McGee, Beverly Henderson, Norine Norris, Jean Short and Max Kinney.

Joyce Bailey, Maryville, Is Crowned Homecoming Queen

Miss Joyce Bailey, Route 1, Maryville, was crowned queen of the 1949 homecoming at the college Friday night at the close of the variety show, which opened up the weekend of homecoming festivities.

Elected by Student Body Miss Bailey, who graduated from Maryville high school last spring, was attended by the Misses Jean Short of Excelsior Springs, Sarabel Davis of Ottumwa, Ia., Marilyn Alexander of Albany and Norine Norris of Independence. Miss Bailey was selected at a student body election.

Miss Barbara Munson of Cameron acted as mistress of ceremonies for the variety show which played to a standing-room-only audience. About 1,400 were in attendance. There were eight skits and several numbers by the Barbershop Quartet—Manley Vance, J. C. Hall, Wayne Stegman and Dick Miller—singing excellent renditions of typical barbershop songs.

The "Pit Crew" kept the audience tapping their toes with some fine dance numbers and Miss Beverly Dunlap played "Clare de Lune," a piano solo, in one of the intervals between the skits.

Registration Burlesqued The skits themselves were 99.44 per cent pure and could be understood by all the audience. A few jokes were lost in laughing.

The Association of Childhood Education led off with a group of Mother Goose characters who came to life in a little girl's dreams. A sharp contrast was the second skit, "Registration Day" by the Intermediate club. A parody on that incident-filled occasion it burlesqued the red tape in getting into college.

One of the smoothest numbers was a line dance by the Dramatics club.

The Alpha Phi Omega compared dating in the older days with dating now, and the Sigma Sigma Sorority did some numbers dressed in bathing suits and sheer net, playing a shiek's harem.

Initiate Football Team The Alpha Sigma Alpha sorority and Sigma Tau Gamma fraternity put on a show together as brother-sister clubs. The boys dressed as girls going to a breakfast in the clothes they wear before they get on the street. The girls borrowed football uniforms and turned in a good performance as the Bearcat team between halves.

A Forty-Niner introduced the Independents' skit. He dedicated all his gold for use as an ideal school. All the students were little angels, the way he dreamed it, but instead his money went toward making a play school.

A Woman's World "It's a Woman's World," according to the Delta Sigma Epsilon sorority in its skit, emphasizing the woman in different roles from a mother to a W. C. T. U. worker.

A take-off on the Dance Club was given by a group of Phi Sigma Epsilon boys, who came out in a sailor suit and barefooted. They danced well and gave one of the more amusing skits.

The cast and crews of the skits honored Robert Gee, faculty member aiding on the production, with a present.

ORGANIZATIONS WIN HOMECOMING PRIZES (Continued from Page One)

Following the Bearcat victory over Cape Girardeau in the afternoon, the homecoming wound up with more than a thousand present for the dance for which the college homecoming committee got Benny Strong's orchestra. Ideal weather prevailed during the two days of festivities. The stadium was packed for the football game, played in shirt-sleeve weather, and extra stands were erected around the field for the visiting high school bands.

Thank You! Students and faculty of the College thank the following bands and their directors for helping to make the 1949 Homecoming parade a success: Albany, Burlington Junction, Craig, Fairfax, Gower, Graham, Grant City, Hamilton, Hopkins, Maitland, Maryville, Maysville, Oregon, Rock Port, Savannah, and Tarkio.

Million-Hall Mr. and Mrs. Dean Million of Bedford, Iowa, announce the marriage of their daughter Zola to Walter H. Hall, son of Mr. and Mrs. Charles Hall of Blackton, Iowa. They were married October 14. Mr. Hall is a student at the College.

Engagements Mr. and Mrs. Walter C. Duncan, of St. Joseph, announce the engagement of their daughter, Norma Jean, to William Patrick Nash, son of Mrs. John Milton Nash, Sr., of St. Joseph. Mr. Nash attended the College.

Mr. and Mrs. R. H. Beets of Bethany have announced the engagement of their daughter Patricia to Leslie Baker, son of Mr. and Mrs. Manly Baker of Canisville. Miss Beets is a student at the College.

Instructional Materials Bureau Is New Feature Instructional Materials Bureau is the title of the newest service of the College library. This department is for both faculty and students.

The new director, Miss Leona Funk, hopes that with the help of faculty and students it will develop into one of the outstanding bureaus in this part of the country. IMB is a collection of teaching materials of all types. It is located in Room 3, first floor, College library.

Homecoming Parade Thrills Big Crowd

Twenty Gayly Decorated Floats and Fifteen Bands Participate.

A large plaster-of-Paris bearcat led the two-mile College homecoming parade that morning that wound its way through the business district of Maryville while thousands lined the streets to view it.

Twenty gayly decorated floats and fifteen marching bands, intermingled with a variety of capering clowns and automobile relics combined to create one of the best homecoming parades this town has seen. It took over half an hour to pass one point.

Led By Bearcat Float The Bearcat float was followed by the College band, a precisely trained unit that got the parade off to a marching start. Then came the Independent club float, followed by a student dressed in a barrel, stating "I bet on Cape."

The Delta Sigma Epsilon, was next in line with their green and white float, and immediately behind came the Albany high school band.

The "M" club had an intricately decorated float called their "Dreamboat." A large beautifully constructed butterfly headed the float.

Next in order came the Grant City high school band, the Pi Omega Pi float, the Hamilton high school band, and the Intermediate club's float.

Clowns Follow Band The Maryville high school band, resplendent in new green and white uniforms, and preceded by a high-stepping group of baton-twirlers led by Majorette Marica Dick, came next.

Another old car, a cleverly-costumed clown, followed the band.

The Alpha Phi Omega float declared open season on the Indians and included the effigy of one hanging by the neck. The float showed a great deal of work and ingenuity.

The Maysville high school band departed the Alpha Phi's from a truck-sized Association of Childhood Education float, in which youngsters dressed in football gear sported on the simulated field. They were followed by the Rock Port high school band.

Girl Before a Mirror The Sigma Sigma Sorority had an unusual float, with a girl standing prettily corseted before a mirror, and other girls pulling the strings, emblematic of the strings they're pulling for their team.

The Tarkio high school band came next, preceding the float by the Off Kampus Club. This was followed by the Savannah high school band, and the Homecoming queen's float.

Black-Draped Coffin Queen Joyce Bailey of Maryville was seated on her royal throne surrounded by her attendants. This was followed on foot by the College Green and White Peppers, who carried a black-draped coffin, obviously the defeated pride of the Cape Indians.

The Burlington Junction high school band inserted more marching tunes between the floats, directly preceding the Residence Hall float, which depicted the "After the Game" celebrations.

Then came the Craig Sigma Alpha float, which was a red and white decorated old-fashioned carriage pulled by several sorority members, and stating, "We're Pulling for You."

The Fairfax high school band came next, and then the Sigma Tau Gamma fraternity, proclaiming "It's in the Bag!" by a huge (man-made) cow.

Dolphins in Parade The Gower high school band, and then the Phi Sigma Epsilon fraternity were next in line. The Phi Sig's had a huge Bearcat standing victorious over a prostrate redskin who was unmistakably "biting the dust."

The Graham high school band trailed in the line-up, as well as the Gentry Pontiac Motor entry.

The Sigma Phi Dolphins, the College swimming club, had a float showing their aquatic interests, and declaring they had lines out to catch the football squad too. They were followed by the Hopkins high school band.

The Kappa Omicron Phi sorority had a float rigged up as a modeling stand, and depicted styles from the 1890's on, but declaring that while styles changed, their loyalty, never.

Carter School Float The Maitland high school band preceded the Horace Mann school float, depicting the health and education of young children, and the Ag club's float. This included a large and very detailed replica of the football field and the two teams in action.

A float by the Carter school, and one by the Tivoli theater followed, with the Oregon high school band bringing up the end of the parade.

Million-Hall Mr. and Mrs. Dean Million of Bedford, Iowa, announce the marriage of their daughter Zola to Walter H. Hall, son of Mr. and Mrs. Charles Hall of Blackton, Iowa. They were married October 14. Mr. Hall is a student at the College.

Engagements Mr. and Mrs. Walter C. Duncan, of St. Joseph, announce the engagement of their daughter, Norma Jean, to William Patrick Nash, son of Mrs. John Milton Nash, Sr., of St. Joseph. Mr. Nash attended the College.

Mr. and Mrs. R. H. Beets of Bethany have announced the engagement of their daughter Patricia to Leslie Baker, son of Mr. and Mrs. Manly Baker of Canisville. Miss Beets is a student at the College.

Instructional Materials Bureau Is New Feature Instructional Materials Bureau is the title of the newest service of the College library. This department is for both faculty and students.

The new director, Miss Leona Funk, hopes that with the help of faculty and students it will develop into one of the outstanding bureaus in this part of the country. IMB is a collection of teaching materials of all types. It is located in Room 3, first floor, College library.

Independents Know How It Is Done

Members of the Independent club of the College are shown rehearsing for the skit they gave at the variety show the night of October 28. They are identified as follows, left to right: On bench, Orville Bairs, Nancy Dean, John Pope, Janice Walsh, Rhoda Nicholson and Pat Barton. Seated in semi-circle, Charles Newton, Effie Moffat, Wilma Watkins, Elizabeth McQuerry, Marilyn Nelson, Marilyn Kling, and Charles McDowell. In front row, Sue Bailey, Lucille Bithos, Oretta Knipmeyer and Lois Long. Standing is Mickey McComb.

Wescott Is Dance Club President During Year

A regular meeting of the Dance Club was held Tuesday, October 18, in Room 114. Officers for this year are Lavonne Wescott, president; Mary Booth, vice president; Joan Masters, secretary; Thesis Robinson, historian. At the last meeting, two other officers, that of treasurer and of publicity, were filled by Frances Erzen and Pat McClaren, respectively.

All men and women on this campus are eligible to become members of the Dance Club which meets every Tuesday night from 7 to 8 p. m. The dues are only \$1 per year or .35 per quarter.

Upon completion of each year of work certain awards are given: the first year, a medal; the second year, aletard, the third year, a skirt; and the fourth year, a plaque.

Male Quartet Will Have New Costumes for Tour

Dr. Paul T. McNutt, head of the music department, has placed an order for new coats, sailors' canes, and "handiebar" mustaches for use by the members of the newly formed Barbershop Quartet.

The members of the quartet believe the hearty welcome given them at their first public appearance, in assembly, October 19, will serve as an inspiration to advertise the College more successfully during the spring music tour and other presentations.

Members of the quartet are J. C. Hall, sophomore, Watson; Manley Vance, senior, King City; Wayne Stegman, post graduate, King City; and Richard R. Miller, sophomore, St. Joseph.

Captain Paul T. McNutt Heads Powerful Lifters

Captain Paul T. McNutt and thirteen of his enlisted men recently moved a baby-grand piano from the College auditorium to the Horace Mann auditorium. It was a big job; there was much grunting and growling—tired bodies, aching backs, shoulders, and arms, let alone the trampled feet.

Believe it or not, Captain McNutt was one of the more powerful lifters of the group. Was it that way in the army? At 12 noon, sharp, the detail was released, too tired to eat or to go home.

PRESIDENT DEDICATES 'MEMORIAL' STADIUM

(Continued from Page One)

memorial bowl, dedicated to the memory of these loyal sons and daughters of this college.

"It is dedicated to those who gave their lives that this nation and this college shall endure.

"It is dedicated to the memory and glorification of all men and women who served in World War I and World War II.

"It is dedicated in appreciation of the devotion that these young people gave to this college and to its continued growth and development."

Inauguration Date Is Announced Inauguration ceremonies for Dr. Blanche Hinman Dow, former chairman of the foreign language department, will be held at Cottey College, Nevada, November 27 and 28. Dr. Dow is now president of Cottey College.

Bob Lister Talks to Freshmen Bob Lister will explain the activities of the Dramatics Club and Alpha Psi Omega at Freshman Orientation.

Winning Skits Will Be Given Prize winning skits of the College Homecoming variety show will be given at the college assembly this morning at 10 o'clock.

Phi Sigmas Have Four Alumni Breakfast Guests

The annual "Homecoming" breakfast of the Phi Sigma Epsilon fraternity was held at 8 o'clock this morning at the Dream Kitchen.

Four alumni members of the original Sigma Mu Delta fraternity, the charter organization of the present fraternity, were present. They were Charles W. Farmer, Jr., Allison, Ia.; Andy Campbell, Osceola, Ia.; Earl Holt, Jr., Atlantic, Ia., and Donald Robey, Maryville. Twenty-four alumni were present.

H. R. Dieterich and W. T. Garrett, sponsors, and Dr. Frank Grube and H. V. Neece, honorary members, were guests.

Fall Formal Dance Is Planned By Tri Sigma

The Sigma Sigma Sorority girls are now making plans for their fall formal dance to be held Saturday, November 19 at the Country Club.

The general chairman of the dance is Phyllis Crawford. Other members on the committee include Margaret Curry, Mary Jo Vernon and Roberta Walker.

Maryville Downs Cape Girardeau in Spectacular Homecoming Fashion

Marching Bearcats Win Easily, 41-14

Indians Get Scalped as Home Team Wins First Conference Game.

Offense Rolls Smoothly

Coach Milner's Forces Are Strong Defensively as Sherry, Graham, Younger, and Wilson Star.

Regenerated by a 14-14 tie with the Springfield Bears October 20, the Maryville Bearcats displayed championship playing last Saturday by storming the Cape Indians 41-14 in one of the finest homecoming battles ever fought.

More than 3,000 Bearcat enthusiasts glowed with admiration as their team exhibited talents previously unseen this year on the Maryville grid iron.

Sparked by the Albany speedster, Norman James, who scored two 6 point tallies, Maryville broke a 7-7 halftime deadlock to score twice in the third quarter and three times in the fourth.

Don Hoffman completed five extra points against the Indians, and totaled his record up to sixteen conversions in nineteen attempts.

Maryville dominated the play throughout, although tied 7-7 at half time. Maryville played most of the first quarter in Cape territory. Early in the game the Cats lost a scoring opportunity when Fullback Marvin Weed recovered a blocked Cape punt on the Indian 25. Burton Richey passed out of bounds on the fourth down.

The Indians interrupted another Maryville drive when Jack Little recovered Bob Hemenway's fumble on the Cape 31. On the next series of downs Cape gambled on a fourth down and lost the ball on its 40 mark. On the last play of the first period Hemenway lateraled to Pat Zuchowski for 11 yards.

James Gains on Reverse

From there Maryville pushed for a touchdown. In this series of play Norman James took a reverse for 17 yards to the Cape 7 and he went over for the score from the 1 line. Schneider returned the kickoff 40 yards to Maryville's 29. The Bearcats pushed the Indians back to the 35 line and Cape kicked out on the 16 line. Maryville was forced to punt. Abernathy returned 19 yards to the Maryville 36. Cape pounded the Maryville line six times, Gary Garrison, a substitute going over from the 1 line. In this drive Kroger recovered a fumble for an 8 yard gain. Bob Sheets, a freshman who played water boy for his team, made the conversion.

Maryville was on the Cape 15 line as the half ended. Weed had recovered a Cape fumble on the Cape 48. Richey passed to Zuchowski for 9. Another pass, Richey to James netted 9 and Zuchowski caught a Richey pass for 19 yards as the half ended.

Score on 25 Yard Pass

Beginning the third-quarter guard Pete Younger recovered a fumble on the Cape 34. James made 9 yards on two plays. A double pass, Zuchowski to James to Wormsley for 25 yards, gave Maryville the touchdown which put the Cats ahead to stay.

A short punt by Killian gave Maryville the ball on the Maryville 41. The Cats got down to the 29 yard line. In this series the Cats gained 8 yards on a Zuchowski crash and four by Weed, aided by a 14 yard pass, Weed to Richey to James, plus a 9 yard sweep by Weed and a 4 yard buck by James. Three passes went incomplete.

Pete Younger again got possession on the ball when the Cape passer was rushed. The ball squirted up in the air over the line and Younger grabbed the pigskin on the Cape 24 yard line. It took five plays to score. Weed went 5, Richey added 3, James exploded through tackle for 10 yards, and Weed went to the 5 line. Richey passed to George Coulter in the end zone for the score. Maryville kicked off to the Cape 30 as the third quarter ended.

Cape Scores on 40 Yard Run

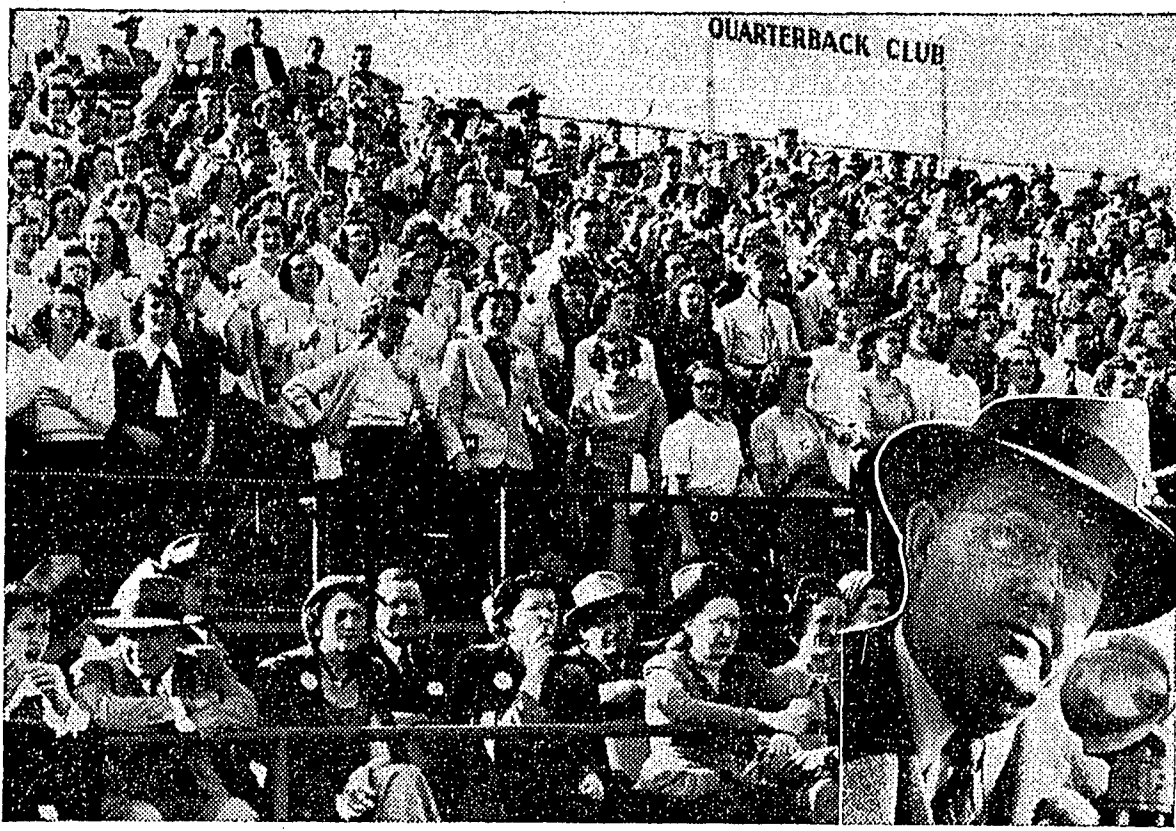

Cape lost 15 yards on two plays as Maryville was sifting through the line. Killian punted and when James tried to lateral on receiving the punt, Little recovered for Cape. In addition, Maryville got a 15 yard penalty. Cape got to the Maryville 23 line and a first down, but then was penalized 15 yards. Preston Berry scooted 40 yards down the eastern sidelines for Cape's last score and Sheets kicked the extra point. The score was Maryville 21, Cape 14.

Maryville added three touchdowns in a hurry. James returned the kickoff 30 yards to his 40. Hemenway on a fake pass-off went 20 around left end. On a pitchout, Sherry went 9. Hemenway lateraled to Thompson for 2. Sherry was stopped for no gain and a pass was incomplete. Clyde Thompson broke through for 6 on the 22. John Yurchak, an end, fell on a Maryville fumble for a first down on the 15. On a hand-off from Hemenway, James went for a touchdown.

Graham Intercepts Pass

After the kickoff Chuck Graham intercepted a Cape pass and went to the Cape 1 line where he was hauled down. Maryville was penalized back to the 16 on the play. Cape was penalized 5 yards for too many

President Jones Dedicates New Stadium

A pre-game ceremony of Maryville's "third Homecoming" featured the dedication of new "Memorial" stadium in memory of the College veterans, living and dead, of World Wars I and II. A record crowd of approximately 3,000 joined in the solemn act. Dedication address is on Page 1.

Ronald Woods Captures First in Tennis Match

Ronald Woods captured first place in the men's singles of the tennis tournament by defeating Bud Carmichael 3-6, 6-2, 6-0.

The consolation matches were abruptly terminated when the score sheet disappeared from the bulletin board. The lists of players for the men's doubles and mixed doubles met the same fate.

Results of the championship tournament are as follows: first round, Bud Carmichael defeated Ralph Blank 6-0, 6-3, Gene McClain won over Max Hochenauer by default; Don Willis defeated Leland Springer 6-2, 6-3; John Summa defeated Butch Strong 7-5, 6-3; Richard Carroll won over Walt Stanton by default; H. L. Judd defeated Bill Baker 6-0, 6-3; Forrest Lowe defeated Keith Adams 6-4, 6-1.

In the second round, Carmichael defeated McClain 6-2, 6-2; Willis defeated Summa 6-3, 6-8, 6-2; Carroll defeated Judd 6-4, 1-6, 6-3; Ronald Wood defeated Lowe 6-0, 6-0.

In the semi-finals, Carmichael defeated Willis 7-5, 4-6, 6-3; Wood defeated Carroll 6-4, 6-3.

Warrensburg Mules Are Final Foes '49 Season

Maryville will tangle with the Warrensburg Mules in a final contest of the 1949 football season one week from Saturday, November 11, at 2 p. m.

The winning of this game could be a guarantee to the Bearcats of a share of the MIAA football championship. However, there are several "ifs" involved.

If Springfield won their Homecoming contest against Rolla Saturday, they would have to be inflicted a loss by either Warrensburg or Cape Girardeau; and Rolla still would have to lose their second conference game to Warrensburg. If this happens the Bearcats have a chance. But if Rolla won Saturday's contest, Maryville would be ineligible for a trophy until next season.

Moreover, all this supposition depends upon the theory that Maryville has beaten Cape Girardeau and will win over Kirkville and Warrensburg—and that is a great deal of wishful thinking.

Warrensburg began her football season with a promising 35-6 over the Rockhurst Hawks, but then lost to Central at Fayette, 20-14.

In conference play Cape Girardeau was downed 12-6 but Rolla rolled over 31-0.

Two former Bearcat stars, Bill Gamble, and Larry Zirbel, have successfully pursued the art of coaching a football team this season.

Their Bethany boys have won three games and lost one. The total scores of the games are as follows: Bethany, 99; opponents, 34. Both coaches are unhappy to have lost the one game. Strangely enough, they anticipated the loss. According to a recent letter, they felt all week preceding the game that they would be defeated, because the boys just wouldn't practice.

times out. On the next play Thompson crashed the line to score. Hoffman's kick was wide and the score was 34 to 14.

Maryville kicked off. Cape was penalized 15 to the 8 yard line. Henningsen then fell on a Cape fumble behind the goal line. Hoffman converted for the last point.

Swimming Meet Is Open to Everyone

Big Annual Event Takes Place Soon; Pool Is Now Available.

The swimming meet has been postponed until December 15. Coach Dewey Allgood has reported that the earlier date conflicted with test week and he felt that it would be better to postpone the swimming event.

This gives swimmers more time to practice, so get on the ball. The average attendance during the time the pool has been opened has been 34 and Coach Allgood says that the pool will hold 100. Surely 75 can come the next time the pool is open.

Several have asked whether they have to belong to any organizations to enter the swimming meet. The classes may organize a team and enter the competition or any 4 people who wish to enter the competition can get up a team and enter. The competition may be entered by any one single person, married ones, too, or any group. If a team wishes to enter the competition just give the members names to Coach Allgood or leave them on his desk, which is in the office marked Don Peterson.

Remember the pool is open on Saturday night, and after football season it will be open on Saturday afternoon. The pool will be open on Thursday night from 8 o'clock until 9:30 and from 7 until 9 on Tuesdays.

Miss Franken Returns

Miss Katherine Franken, of the education department has returned to the campus after an illness of many weeks.

Hickory Stick Tradition Continues This Friday

Friday night the Bearcats will battle the Kirkville Bulldogs in an all-important football game, important for many reasons, but traditionally important for the fact that Maryville will be contesting for a coveted Hickory Stick.

This Hickory Stick idea was originated 23 years ago by Dr. Uel W. Lamkin, now president emeritus of Northwest Missouri State College.

Each year following the annual football game between the College and the Northwest Missouri State College at Kirkville, the Hickory Stick has been presented to the victor.

Mr. Lamkin had the Hickory Stick fashioned in the industrial arts department in 1926. The wood for the stick was taken from a tree on the farm on which Eugene Fair, president of the college at Kirkville, was born. The inscription reads: "This Hickory Stick was grown on a farm in the Maryville District on which Eugene Fair, President of Kirkville, was born."

In 1931 the stick was presented to the College for the first time. That year the Bearcats defeated the Bulldogs by a score of 7-0. The stick has been in Maryville's possession in the following years: 1938, score 26-7; 1939, score 19-13; 1940, score 20-0; 1947, score 22-6; 1948, score 19-12.

Friday evening the Bulldogs will challenge the Bearcats again. Not only will this contest be of conference importance, but also of old-time rivalry to determine which team will possess the Hickory Stick for 1949-1950.

... Random Shots ...

Finals in the tennis tournament, staged on College courts, pitted Bud Carmichael against Ronald Woods. Carmichael, a cautious player, challenged his skill against Woods whose steady play earned him a title bid. Woods emerged the victor: 3-6, 6-2, 6-0.

However, since Woods graduates at the end of the winter quarter, Carmichael will move into the top tennis position.

Carmichael will provide the initial strength for the team with his experience and spirit.

Woods will leave a good record of competition when he graduates. A veteran of 12 years at the racket sport, he lettered three years in high school. In 1944 he placed second in the tennis tournament played on the college campus. He was serving with the Naval unit stationed here at the time. At Purdue University, in 1946, Woods won the S. C. A. tennis meet. While attending college he has inspired opponents with his all-round play. Official scorers for the match were Dr. Frank Grube, head of the English department, and Don Willis.

Intramural basketball will get under way during the winter quarter. Various teams are being organized and competition will develop. Any man desiring to play intramural ball may be a member of an intramural team.

Another injury was counted during football scrimmage when Marlin Carey dislocated his right shoulder. Carey, a junior, performs at the wingback position.

The Bearcat squad was in good physical shape for the tiff with the Cape Indians. Chuck Graham's foot, on the mend list, tabbed defensive fullback for limited duty. Weed, Zuchowski, and Gresham were in top form. Up forward the wall worked intact, digging for a

win as students, alumni and fans watched.

While playing the Springfield game Charlie "Choo Choo" Graham suffered a sprained foot and separation of the metatarsal bone. It was thought at first the sophomore fullback might be kept from further grid duty because of the injury. But given special attention the foot improved rapidly. Chuck, slated to play in the Homecoming game, is a transfer student from Iowa State Teachers College, Cedar Falls, Iowa.

Homecoming attracted former gridgers of Bearcat football teams of past years. Many are coaches of high school teams in Missouri, Iowa, and other states. Their teams have compiled good records, a credit to the training in the coaching field.

Tallest gridder on the football roster this season is versatile Al Henningsen. The Atlantic, Iowa, junior plays an end position. He is a capable receiver for backfield passes. Besides the pigskin game Al will see active duty in basketball games. The veteran cager is one of the most deceptive players in the conference. He was a star basketball player while in the service.

Bob Barrett of Kansas City, Chuck Oellermann of St. Louis, and Bob Maxwell of Smithville are the shortest participants on the gridiron. Maxwell is a freshman and Oellermann, a sophomore. Barrett was a football candidate on last year's squad.

Frozen halibut steaks may be broiled before they are thawed, if time necessitates. Place the steaks in the broiler as usual and lengthen the broiling time.

Bearcats Will Face Bulldogs This Friday for Important MIAA Battle

Maryville Defends Traditional Hickory Stick for Third Year; Kirkville Will Be Fighting to Raise Its Position from Lower Conference Standings.

Friday morning the Maryville Bearcats will pack up and journey to the northeast corner of Missouri to fight their all-time rivals, the Bulldogs from Kirkville.

Kirkville will be battling Maryville to relinquish that traditional Hickory Stick which the Bearcats have had for two years. Coach Ryland Milner's gridgers will be ready, however, for whatever the Bulldogs have to offer, and then may come back with a little of their own.

Bulldogs Are Potent Rivals

Boasting a defensive superiority the Bulldogs have lined up as potent rivals in the important conference battle Friday night. And they may have a justifiable reason to suppose that their defense machine operates better than that of the Bearcats: Rolla, a common opponent, scored against Maryville three more times than they did against Kirkville.

But the Springfield Bears didn't find opposition too tough from the Bulldogs, defensively. The Bears rolled over Kirkville for six touchdowns, showering the Bulldogs with an array of successful aerial and ground attacks.

Bears Beat Kirkville

Statistically, Springfield has proved the difference between Maryville and Kirkville. The Bears, having romped over Kirkville 33-12 in a conference opener, were held to a 14-14 tie by the Bearcats in the following game.

Acknowledging a strong defense for Kirkville still may not prove to be a barrier to the Maryville offense carriers. Coach Milner has on his roster a team of potential material, part of which was shown at the Springfield contest three weeks ago. Speedy backfield men in the form of Zuchowski, Stanton, James, and Sherry are ready to skirt the Kirkville ends while big Marvin Weed will be on hand to slice through that forward wall Hemenway, and angle runner,

will undoubtedly feature running attacks.

Bearcats Have Won

Moreover, there is passing quarterback Burt Richey, who will have an efficient supplement in his passing ability if the ground offensive falls to roll. John Yurchak, a sophomore, end, is the strong connecting link for Burt's passes.

In 1947 the Bearcats won in a Kirkville Homecoming, and in 1948 affirmed their playing ability with a 13-12 win over the Bulldogs, who were, at that time, strong rivals for the top honors in the MIAA conference.

This Season Has Been Bad

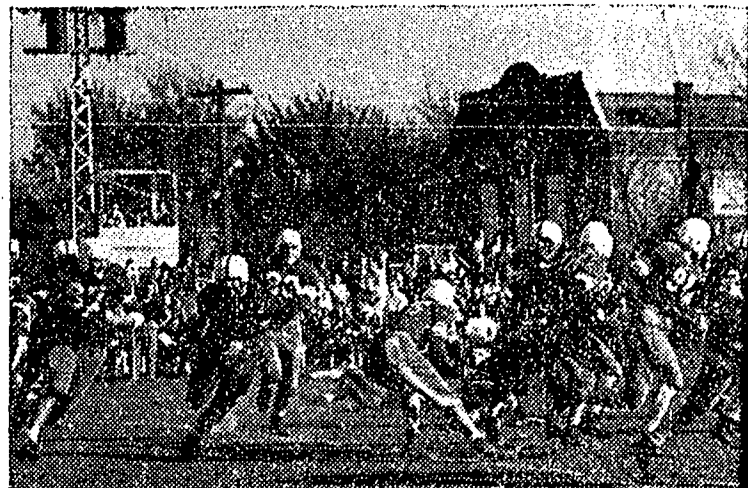

So far Kirkville Bulldogs have had a disappointing season; they have a record of one win and five losses. Culver-Stockton outpointed them in the opening contest, 13-7, and then they fell before Missouri-Valley, 27-7, in the second. St. Louis University handed the Bulldogs their worst defeat at a tune of 48-6.

Springfield met Kirkville in the opening conference play and downed them 33-12. Cape Girardeau was less fortunate, however, and lost 12-7, while Rolla won easily 20-6.

Just Another Line!

Love makes the world go round, but then, so does a good swallow of tobacco juice.

Bearcat Tries His Right End

Speedy halfback, Pat Zuchowski, races around the Maryville end for a gain against the Cape Girardeau Indians, who suffered a defeat by the Bearcats in the Homecoming game last Saturday. Sherry end runs by Coach Milner's team were potential in touchdown drive.

Athletic Club Sponsors Special Parents' Day

Saturday afternoon, November 11, has been set as a special afternoon for parents. They will be given privileges and honors before, during and after the Bearcats tangle with Warrensburg in a football duel on Maryville's home ground. The Athletic Association is also sponsoring a Ladies' Day. Ladies will be admitted free if accompanied by one paid admission.

Parents of the varsity football players will be given selected seats along the sidelines of the football field and a number corresponding to that of their sons will be pinned on their backs for identification. Coffee and doughnuts will be served to the students and their parents following the game.

Parents attending the Parents' Day festivities are given the opportunity to inspect and evaluate the environment of the educational facilities of the Northwest Missouri State College student.

The athletic department urges every student to bring his parents

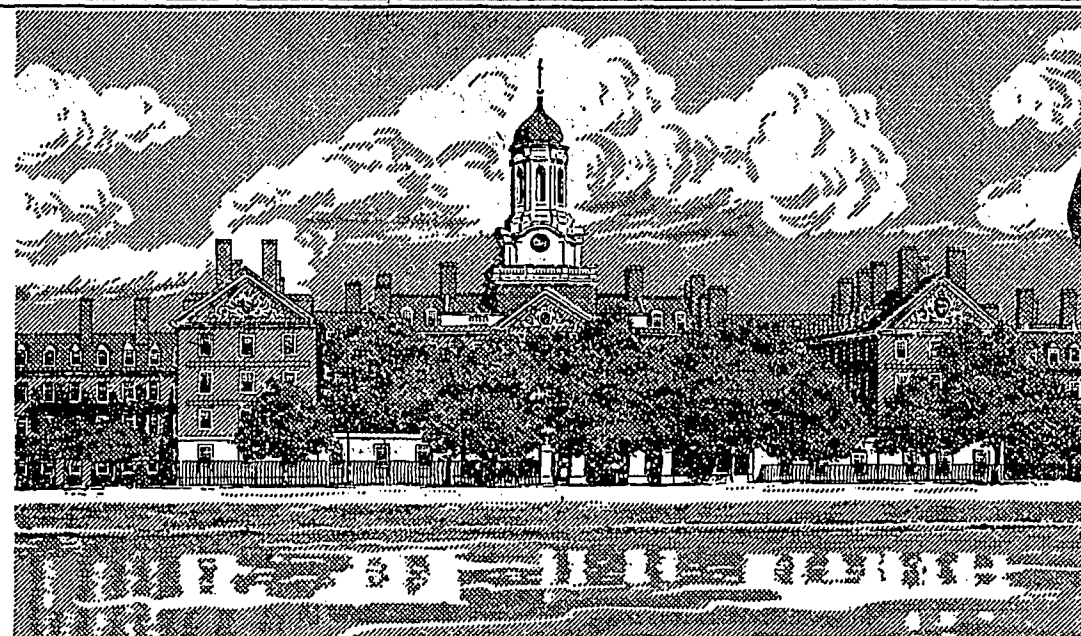

Librarian Johnson Will Have November Works

The second annual school Librarians' Workshop will be held Northwest Missouri State College Nov. 18, according to an announcement by James Johnson, College Librarian.

The workshop will deal with one topic, "Organization and Management of School Libraries."

Those who will be on the staff along the sidelines of the football field are: Miss Leona Fund, new assistant librarian; Miss Lucile B. Baugh of the local College library; Miss Beulah Neprud, librarian, Horace Mann school, and Mr. J. son.

Registration will be complete 9:30 a. m. and sessions will last 4 p. m. with time out for lunch. The workshop will be for administrators and librarians. "Every Student Get A Stud" is the slogan for '49!

Major Ed Wall, Harvard, '40 - Flying Executive, U.S. Air Force!

Born in Newark, N. J., he moved to Boston at an early age, graduated from the public Latin high school in 1936, entered Harvard the same year, where he majored in economics and government.

"Active on the campus" — he played football, earned his letter on the boxing team. He worked part-time in a variety of jobs from bouncer to baby sitter, received his AB degree in 1940.

He enrolled in Harvard Law School, left at the beginning of the war to become an Aviation Cadet. In December, 1942, he won his pilot's wings, received a Reserve commission as Second Lieutenant.

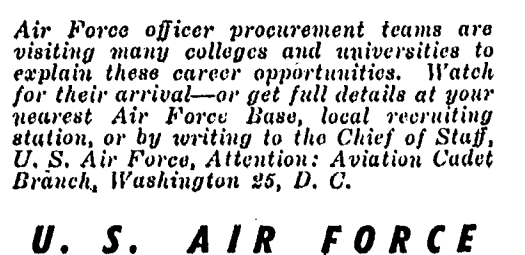

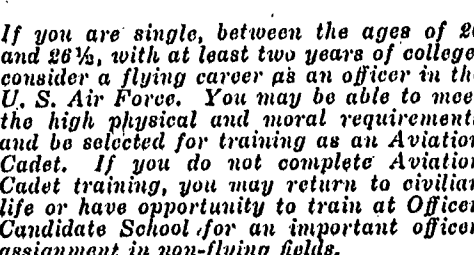

Assigned to anti-sub patrol duty, he flew B-25's and B-17's before going overseas in 1944, where he flew 30 missions as a B-24 pilot. Shot down over Germany, he was a prisoner of war for 3 months.

Back in the States with his English wife, he earned his Regular commission. Then he returned to Harvard under the Air Force college training program, receiving his LLB degree in 1949.

Now, he is confident about his future and security. As a pilot and legal officer of Bolling Air Force Base, D. C., Major Ed Wall is a typical U. S. Air Force flying executive... with a challenging career.

ONLY THE BEST CAN BE AVIATION CADETS!

If you are single, between the ages of 20 and 28, with at least two years of college, consider a flying career as an officer in the U. S. Air Force. You may be able to meet the high physical and moral requirements and be selected for training as an Aviation Cadet. If you do not complete Aviation Cadet training, you may return to civilian life or have opportunity to train at Officer Candidate School for an important officer assignment in non-flying fields.

U. S. AIR FORCE
